ELIGIBILITY CRITERIA

Please review the following criteria for HIRO's **Group Services**.

The applicant must:

- have a diagnosis of an acquired brain injury, as confirmed by a physician;
- be eighteen years of age or older;
- not be diagnosed with a progressive or degenerative disease/disorder;
- not be diagnosed with a developmental disability, in-utero/at birth ABI, or pediatric (<16) ABI;
- demonstrate capacity for functional rehabilitation;
- be insured under OHIP;
- not have active substance abuse issues or use non-prescribed marijuana;
- be up to date on COVID-19 vaccinations;
- be medically and psychiatrically stable such that it will not interfere with participation in rehabilitation or group activities;
- not require 1:1 support for any personal care (e.g. toileting, dressing, feeding) or medical needs (e.g. medication administration, emergency support outside of a 911 call). The applicant is responsible for bringing this support person.
- not require 1:1 supervision (as provided by Group staff). Group programs vary in size with some social events resulting in a 15:1 participant to staff ratio. The applicant is responsible for bringing in a support person if a higher level of supervision is required.
- be oriented to person and place;
- be able and willing to tolerate structured rehabilitation programming 1+ hour(s) per session;
- be able and willing to tolerate a social group environment without significant socially inappropriate behaviours (e.g. verbal aggression towards others, physical aggression, environmental aggression, or sexual inappropriateness will not be tolerated);
- be able to communicate basic needs (communication strategies may be verbally, in writing, with alternative/augmentative communication systems, or a picture-based system).

If the applicant meets the eligibility criteria listed above, please proceed to the next page to complete the application.
